*Stronger together, building confidence and community
the Pisces way!*

LEANNE MARTIN

Role: Adult Hoop and Silks Instructor, Children's Aerial Acrobats Instructor and Co-owner

About Leanne...

Leanne, 43, is the proud co-owner of Pisces Pole Studio and a passionate aerial instructor specialising in Adult Hoop and Silks, as well as children's aerial acrobatics. Having discovered her love for aerial fitness two years ago, she quickly found her true passion in aerial hoop, embracing both the creativity and adrenaline that come with it.

A devoted wife, mother of five, and grandmother to eight, Leanne has spent much of her life caring for others. She has also been a surrogate twice, worked as a foster carer, and previously enjoyed a rewarding career as a social worker. Her extensive experience supporting children and families has helped shape her warm, patient, and nurturing approach to teaching.

Known for her kindness, encouragement, and supportive nature, Leanne loves helping students of all ages build confidence, strength, and a sense of achievement. Whether she's teaching children their first aerial acrobats' skill or helping adults discover their own love of hoop and silks, her enthusiasm and caring personality make every class a welcoming and inspiring experience.
